

European Solidarity Corps - Call for international volunteers - 2026-27

Application form for candidate volunteers for long term placements in the European Office of Kiwanis in Ghent, Belgium, in the framework of the European Commission's programme European Solidarity Corps (ESC)

* Indicates required question

It will take probably +/- 1 hour to fill in this application form. We are aware of the fact that we ask some questions that require some reflection.

As with the placement, we also will do an investment, we want to be sure to recruit motivated volunteers. At the end, in case you would be selected, you would come for a longer time to Belgium, and it is in both our interests to have a good project together and a good match between volunteer and organisation.

Already in advance, thank you for taking your time to fill this in!
